Ringling of the Bell

Song—*Cornerstone*

Edward Mote, Eric Liljero, Jonas Myrin, Reuben Morgan

Performed by Liz Ahrens, Rhonda Grammer, BethAnne Havis, Derek Twesten

My hope is built on nothing less
Than Jesus' blood and righteousness
I dare not trust the sweetest frame
But wholly trust in Jesus' name

When He shall come with trumpet sound
Oh may I then in Him be found
Dressed in His righteousness alone
Faultless to stand before the throne

Christ alone, Cornerstone
Weak made strong in the Saviour's love
Through the storm He is Lord
Lord of all

Christ alone, Cornerstone
Weak made strong in the Saviour's love
Through the storm He is Lord
Lord of all

When darkness seems to hide His face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil

Christ alone, Cornerstone
Weak made strong in the Saviour's love
Through the storm He is Lord
Lord of all

Christ alone, Cornerstone
Weak made strong in the Saviour's love
Through the storm He is Lord
Lord of all

Song—*Broken Vessels (Amazing Grace)*

Joel Houston & Jonas Myrin

Performed by Liz Ahrens, Rhonda Grammer, BethAnne Havis, Derek Twesten

All these pieces
Broken and scattered
In mercy gathered
Mended and whole
Empty-handed
But not forsaken
I've been set free
I've been set free

Amazing grace
How sweet the sound
That saved a wretch like me, oh
I once was lost
But now I'm found
Was blind but now I see

Oh, I can see You now
Oh, I can see the love in Your eyes
Laying Yourself down
Raising up the broken to life

You take our failure
You take our weakness
You set Your treasure
In jars of clay
So take this heart, Lord
I'll be Your vessel
The world to see
Your life in me

Amazing grace
How sweet the sound
That saved a wretch like me, oh
I once was lost
But now I'm found
Was blind but now I see

Oh, I can see You now
Oh, I can see the love in Your eyes
Laying Yourself down
Raising up the broken to life

Amazing grace
How sweet the sound
That saved a wretch like me, oh
I once was lost
But now I'm found
Was blind but now I see

Oh, I can see You now
Oh, I can see the love in Your eyes
Laying Yourself down
Raising up the broken to life

Scripture—Luke 6:37-40 NIV

Emily Spitze

³⁷ "Do not judge, and you will not be judged. Do not condemn, and you will not be condemned. Forgive, and you will be forgiven. ³⁸ Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you."

³⁹ He also told them this parable: "Can the blind lead the blind? Will they not both fall into a pit? ⁴⁰ The student is not above the teacher, but everyone who is fully trained will be like their teacher.

Response to the Word of God

BethAnne Havis

Teach us, Good Lord
To serve you as you deserve.
To give and not count the cost
To fight and not to heed the wounds.
To toil and not to seek for rest.
To labor and not to ask for any reward
except that of knowing that we do Your Will,
through Jesus Christ our Lord, Amen.

Song—Rescue

Jason Ingram, Paul Mabury, Lauren Daigle
Performed by Liz Ahrens, Rhonda Grammer, BethAnne Havis, Derek Twesten

You are not hidden
There’s never been a moment
You were forgotten
You are not hopeless
Though you have been broken
Your innocence stolen
I hear you whisper underneath your breath
I hear your SOS, your SOS

I will send out an army to find you
In the middle of the darkest night
It’s true, I will rescue you
I will never stop marching to reach you
In the middle of the hardest fight
It’s true, I will rescue you.

I will send out an army to find you
In the middle of the darkest night
It’s true, I will rescue you

I hear the whisper underneath your breath
I hear you whisper, you have nothing left

There is no distance
That cannot be covered
Over and over
You’re not defenseless
I’ll be your shelter
I’ll be your armor

I will send out an army to find you
In the middle of the darkest night
It’s true, I will rescue you
I will never stop marching to reach you
In the middle of the hardest fight
It’s true, I will rescue you

I hear you whisper underneath your breath
I hear your SOS, your SOS

Oh, I will rescue you.
