Immanuel's Welcoming Inclusion Statement
As we recognize the value in each other, we recognize God. We embrace God's good gift of diversity and believe all persons are of sacred worth. Therefore, we welcome people of every age, race, ethnicity, gender identity, sexual orientation, social-economic background, family structure, and physical or mental ability into the full participation of this congregation. We are called by God to raise the level of hope for those who have been marginalized and singled out for exclusion, including our LGBTQIA+ siblings. Our passion for a wide welcome of all God's children moves us to participate in reconciling and justice ministries so that we might truly be open minds, open hearts, and open doors.
